Wrapping up the Holidays

PREVENTING WINTER FIRES

Nearly half of home fires occur during the months of December, January, and February. Keep your home and family safe after the holidays with these post-holiday year-end tips.

25% of holiday fires are caused by decorations.

Never leave holiday decorations on while sleeping or away from home.

210 home fires a year are caused by Christmas trees.

Fires caused by Christmas trees are usually deadlier than other fires.

Inspect and dispose of any damaged decorations.

Decorations are temporary, remove them after the holidays.

Separate and label indoor and outdoor decorations.

Arc-Fault Circuit Interrupters can prevent 50% of home electrical fires.

Store decorations in a dry location that is safely out of reach of children and pets.
