Fire Safety

Worksheet 2

Your Name: _________________________

Arrange these fire safety steps in the proper order based on what you saw in the video (note: some do not belong on the list at all).

___ Call 9-1-1.
___ Have a fire drill.
___ Find a second exit.
___ Panic.
___ Practice “get low and go.”
___ Test smoke alarms to make sure they work.
___ Turn off the lights before you leave.
___ Pack a bag full of things you really need (cell phone, toothbrush, money, etc.).
___ Pick a designated meeting spot outside the house.
___ Choose the safest route out of the house.
___ Create a fire escape plan.
___ Don’t move; someone will get you.
___ Try and put out the fire yourself.
___ Find the main exit.
___ Meet at your designated spot outside.
___ Meet at the front door right before you all head out, to make sure everyone’s ready to leave.
___ Turn off the smoke alarm.
Put a check next to the potential sources of fire. Can you think of any more sources?
